To make my country Proud 2x

Verse 1:

This is my country, land of my birth
And I will defend you during my time on earth.
We will not perish but we will cherish
You'll always be dear to me.
This is the home of the truly free.

Chorus..

Through our calypsos, stories are told!!
On Caiso's sweet melody, reigns unity

Oh people come from everywhere to celebrate in the open air.
Its priceless but it's real, we are the best, (Go tell the rest)

To make my country Proud 2x

Verse 2:

To make my country proud, that is my duty
To stand up in front this crowd, so happy and free
United we stand and divided we fall
My message to one and all.
I will answer to any battle call

Chorus..

Through our calypsos, stories are told!!
On Caiso's sweet melody, reigns unity

Oh people come from everywhere to celebrate in the open air.
Its priceless but it's real, we are so blessed, (Go tell the rest)

To make my country Proud 2x
(Change up)
Padu Lampe he's a hero
Padu Lampe our hero
Verse 3:

A moment of honour, so rarely seen
A hero, a father Padu Lampe has been
A living hero alive to accept
An honour so noble no one could protest
Please tell me have you seen this yet?

Chorus..

Through our calypsos, stories are told!!
On Caiso's sweet melody, reigns unity

Oh people come from everywhere to celebrate in the open air.
Its priceless but it's real, we are the best, (Go tell the rest)

To make my country Proud 2x
